

ALLIN, OTHERS TO TELL MERITS OF COUNTY PORT AT RALLY AUGUST 16TH

Called by Col. Charles N. Kirkbride, chairman of the San Mateo County Harbor Campaign Committee, a mass meeting on the Redwood Harbor project will be held in the Burlingame City Hall on Thursday, August 16, at 8 p. m.

At that time Col. B. C. Allin, director of the Port of Stockton; Congressman John J. McGrath, eighth district representative, and E. T. Letchfield, San Francisco banker and industrial expert, will be heard. The purpose of the rally is to acquaint voters of San Mateo county with the project so they may determine whether or not to support the \$460,000 harbor bond issue at the polls August 28.

Plans were also announced today by the harbor committee for a visit by peninsula residents to the Stockton harbor project next Tuesday, August 14.

Any persons interested in seeing that project, whether they are harbor boosters or not, are invited by the committee to join the caravan.

Pattern to Be Followed
Stockton's port, after which the San Mateo county harbor will be physically modeled, was officially opened on February 2, 1933. Since that date, 287 ocean going vessels have docked for the loading and discharge of cargoes.

Speaking of the Stockton port, the Stockton Convention Bureau, which last night requested peninsula councils to support that city for the next convention of the League of California Municipalities, said:

"The most outstanding and interesting project which has been completed in Stockton is our deep water harbor 88 miles inland from the Pacific ocean. So rapidly has this port developed that we are now doubling our wharfage space and other terminal facilities, which will give us berthing space for seven of the largest type vessels at one time. We also hope to secure adequate transit sheds and other storage capacity to handle the tremendous tonnage which is being moved through the port."

Council Backs Project
The Redwood City council last night voted \$250 toward the harbor campaign upon motion of Councilman Evans Fletcher, seconded by Councilman George McNulty, after the fund had been requested by Edward T. Harrison, banker and president of the Redwood City Chamber of Commerce.

In his plea for the fund, Harrison said:

"Conservative judgment of men experienced and competent to estimate is that such bonds (\$450,000 harbor bonds) will be retired, principal and interest, from earnings of the harbor."

Aged Man Saved From Grass Fire

SAN MATEO, Aug. 8.—William Kettlewell, about 80, of 327 San Mateo drive, narrowly escaped injury today when he fell in the path of a grass fire that was sweeping his back yard.

Kettlewell, raking the yard, dropped a match while lighting his pipe and set the grass on fire. After calling the fire department, he tried to connect a garden hose to extinguish the flames, but fell and was unable to rise. Firemen rescued him just before the blaze would have reached him. Little damage was done by the fire.

Dr. Thompson Worthy

Dr. C. V. Thompson, the candidate for supervisor of the fifth township, is making an active canvass for the office. His friends throughout the county are sanguine of his success at the primary election on August 28. Mr. Thompson has made a good official and should be retained in his present position.

This is the first year in the history of the county that the supervisorial candidate is to be voted for by the entire county. This is of material benefit to Dr. Thompson who is extremely popular throughout the entire county.

During the hectic days of San Mateo county's charter drafting and installation, Dr. Thompson received credit for being one of its most faithful advocates and defenders. He pointed out that the charter was the will of the people of the county, and that it was the duty of the supervisors to obey that mandate without question.

He added that the charter, when it receives the recognition due it, can accomplish much good in bringing to this county the type of government it should have, and that he plans to continue his efforts to see that it is given a fair chance to do this. Friends of Dr. Thompson point out he is an experienced public official of ability, and is in harmony with the wishes of the people, the things most essential in governmental affairs at a time such as this. They report an enthusiastic response to his candidacy throughout the county.

Merriam, Two to One

Gov. Frank F. Merriam will carry the county at the primary election of August 28 by a two to one vote. D. E. O'Keefe, one of the campaign managers for the governor in San Mateo county, made a poll of the peninsula during the week with the following result: Frank Merriam, 657 votes; C. C. Young, 308 votes; and J. Quinn, 202. The votes were taken in all parts of the county so that is a sure indication of how the people stand on this contest.

Former supporters of other candidates are turning in great numbers towards the governor, being convinced that with him sanity and security will prevail.

Merriam is gaining votes every day by his outstanding speeches and declarations as to his policy if elected.

Stockton Bank Will Sue M. P.

Forcing of 1915 Tax Levy to Be Asked Through Court

Strong intimation that the Union Safe Deposit Bank of Stockton will take action through the San Mateo County Superior Court against the City of Menlo Park to force a special tax levy for payment of some \$14,000 delinquencies on street improvement bond retirement was disclosed today by James T. O'Keefe Jr., Menlo Park city attorney.

O'Keefe said this morning that he was told in a recent long-distance telephone conversation by Newton Rutherford, bank attorney, that the Stockton bank will probably be obliged to petition the court for a writ of mandate.

In such action the court would be requested by the bank to direct the Menlo Park City Council to levy a special tax not exceeding 10 cents on each of the six series of delinquent bonds, the money to be used in paying off the delinquency.

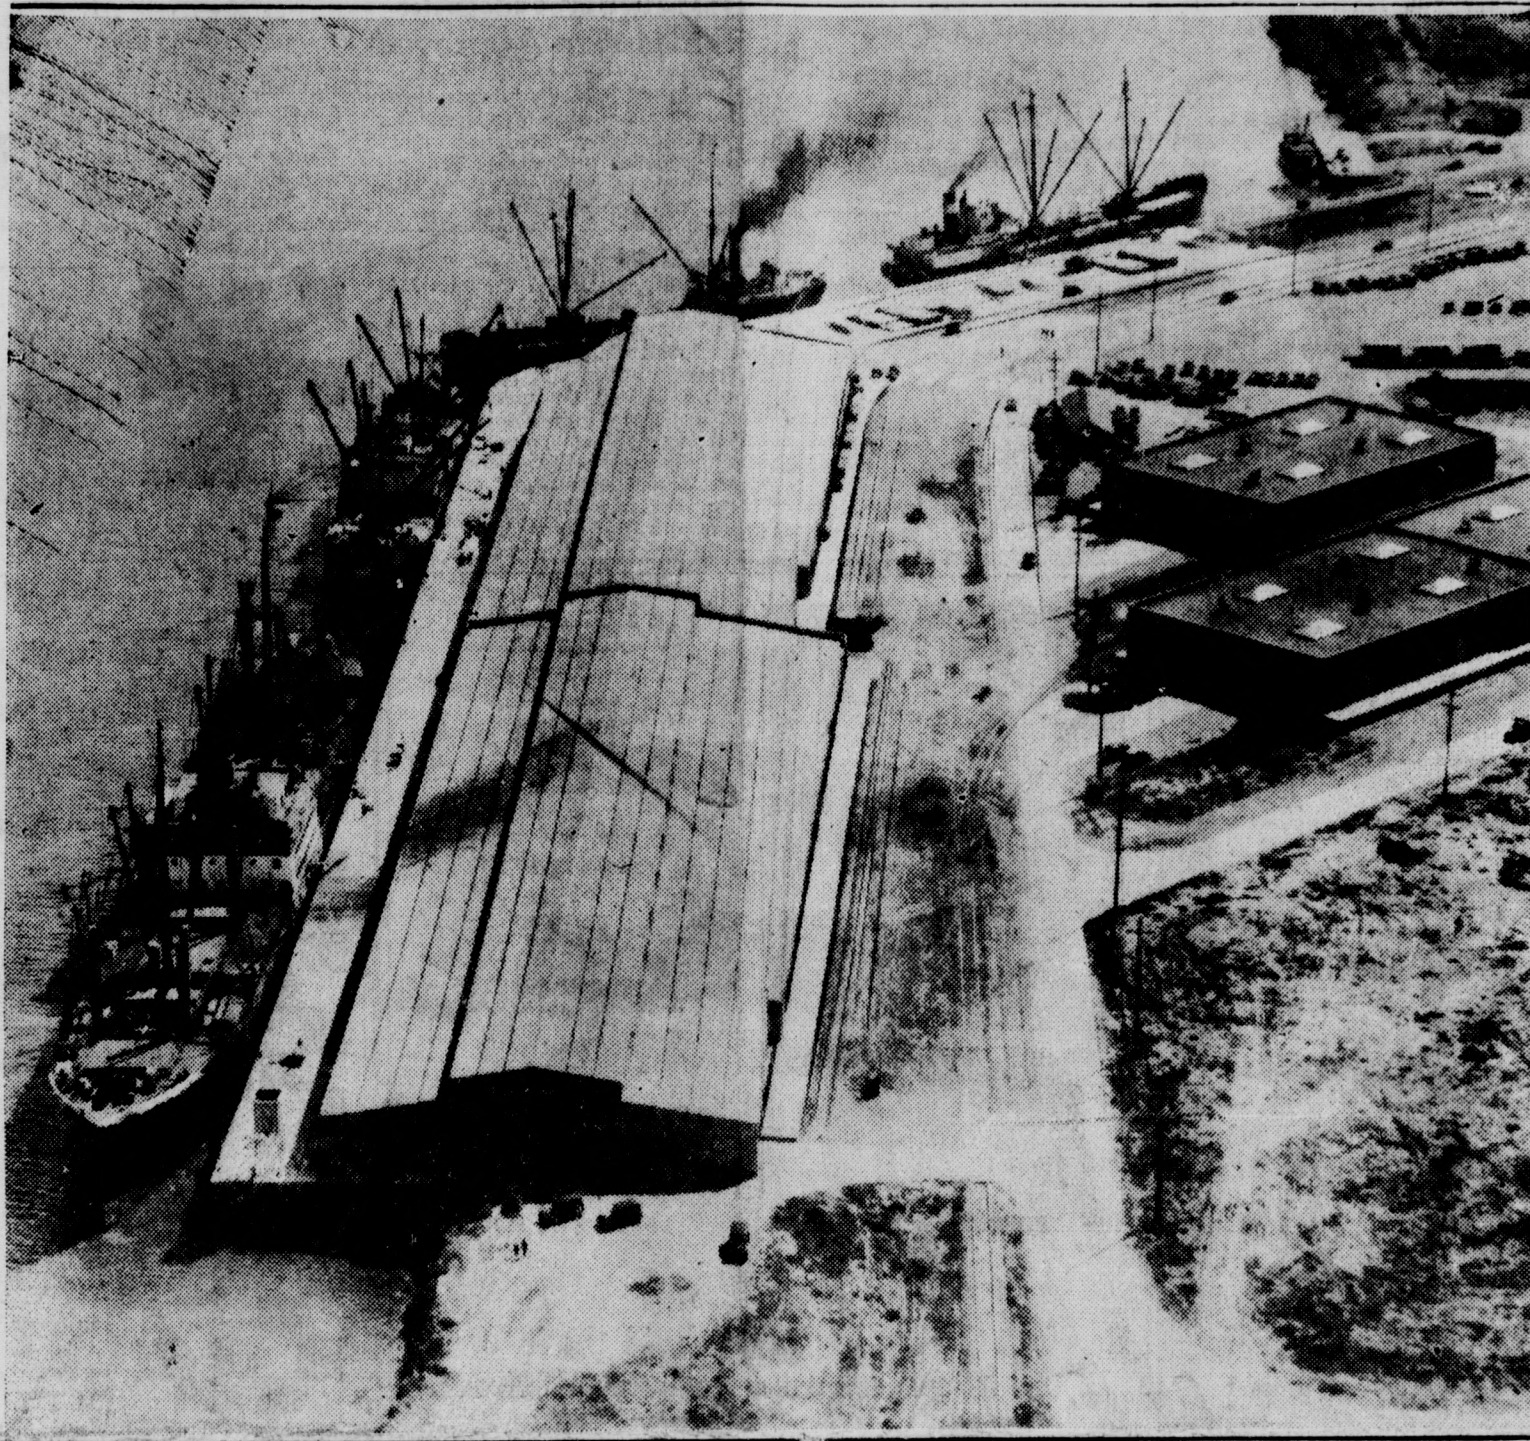

O'Keefe would represent the city when arguments on the bank petition are heard by the court.

Rutherford's statements to O'Keefe were made in reply to a letter addressed to the bank, stating that the city feels that it is unable at the present time to raise additional taxes and pointing out that the bank regretted the attitude taken by the city, that he could appreciate the difficulties of the situation but that the bank probably had no other recourse than to apply for the writ of mandate.

Rutherford told O'Keefe that the bank regretted the attitude taken by the city, that he could appreciate the difficulties of the situation but that the bank probably had no other recourse than to apply for the writ of mandate.

Emerald Lake Fire Petitions Delayed

Further delay of one week on petitions of Emerald Lake and West of Redwood City residents for fire and highway district formations was ordered Monday by the board of supervisors. No one has appeared in behalf of the two proposals.

Here is a busy scene at the Stockton harbor, 88 miles inland from the Golden Gate, which gives some idea of what Port Commissioners Percy Shaw, S. A. Keyston and Henry Begger hope to accomplish in Redwood Harbor. Opening one year ago, Stockton was visited by 287 ocean-going vessels in an unprecedented port development. Redwood Harbor would have similar transit sheds and wharves, and would attract freighters of the type shown if the voters approve a \$460,000 bond issue on August 28. To this will be added \$203,000 of federal gifts, making a \$663,000 project possible.

Hinman Record Well Worthy Of Attention

The taxpayers of San Mateo county may well feel proud of the record made by County Clerk E. B. Hinman. We at least should be appreciative enough to express our commendation, not along for the good accomplished, but as well for the efforts he is still exerting in the interests of all the people of San Mateo county, ever keeping in mind that he is answerable to them at all times.

You may observe the conduct of his office from day to day but never see anything but the utmost courtesy and careful consideration extended to all, regardless of race, color or conditions of servitude. Truly, this is one public office where every one gets "Service with a Smile."

The indisputable fact that he has saved the taxpayers of San Mateo county more than \$20,000 through economies effected in the various departments of his office, entitles him to the confidence of every thinking citizen of the county.

If there is truth in the old saying, "The Laborer is worthy of his hire," surely then Mr. Hinman is worthy of the commendation and support of the people of San Mateo county.

Camp Carleton Is Entertained

Camp Carleton, federal boys' camp located three miles out of Redwood City on the Canyon Sanitarium road, was the scene Monday night of a splendid program of entertainment, sponsored by Mr. and Mrs. James Dodge and Mrs. George North of Redwood City.

Charlie Marshall of radio fame sang and played the guitar. He was supported by Radio Mack who played and sang, and the Haywire Orchestra.

Mrs. Allured of Redwood City played the piano and led the group in singing.

Al Andersen brought out several of his proteges, all of whom showed great form. The two round bout between Andersen and his young daughter proved entertaining.

Col. W. G. Muldoon, director of Camp Carleton, expressed delight at the spirit shown by all the artists who performed and extended a cordial invitation for them as well as other residents of the peninsula to visit Camp Carleton at any time.

Mrs. Ruggles, Robert F. Six Wed at Reno in Air Elopement

Tragedy blossomed into romance Wednesday for Mrs. Henriette Ruggles when she and Robert Forman Six, socially prominent in San Francisco and on the peninsula, eloped to Reno, Nev., by airplane from the San Francisco airport.

Mrs. Ruggles, whose two children burned to death on July 1 at her San Mateo home while she was at a nearby night club in Burlingame, and Six were married by Judge L. O. Hawkins.

Man Forsakes Road For Railway Track

SAN MATEO, Aug. 6.—George Hallum, 26, carpet layer, 761 Everett avenue, Palo Alto, had quite a race with a train here yesterday, but the train won. Hallum's car was wrecked, and he himself will appear before Police Judge L. F. Kinnell Tuesday afternoon to answer a charge of intoxication.

Lewis Not Member Of Young Committee

Owen Lewis of San Carlos was listed last week as being a member of the C. C. Young campaign committee. This is an error, Mr. Lewis stated today. He is not connected in any way whatsoever with the activities of the C. C. Young campaign committee.

FEATURED IN 'SHE WAS A LADY'

Helen Twelveteens and Donald Woods as they appear in "She Was a Lady," co-feature with Jack Oakie and Ben Bernie in "Shoot the Works," current attraction at the Fox Sequoia Theater tonight and Saturday. Tonight the Sequoia Theater is having its third bank night.

Fred E. Beer's Campaign Among Most Interesting

One of the most interesting campaigns in San Mateo county's coming primary election is that being waged by Fred E. Beer, San Mateo, for the supervisorial post of the Second District. He seeks the place on the board now held by Mrs. Rosalie M. Brown.

Adding to the interest in this contest is the fact that this year all the voters of the county will ballot for the supervisorial candidates. The Second District extends from the southerly limits of Burlingame to the northerly limits of Redwood City, and formerly only the voters of that district cast ballots for their supervisor.

In his campaign Beer has stressed several important phases of governmental work and his policies regarding these. First he makes it plain in his announcements that he will see that the provisions of the charter are properly carried out so far as he can. He points out that the mandate of the people, and add that public officials, who cannot hear the people's voice have served their usefulness. He declares further he is running independently, has not made and will not make any promises, and if elected will apply sound business principles in the conduct of the county government.

Fred Beer is no stranger to public service. He has served as mayor of his home city of San Mateo, in addition to being a member of the city council there. He is past president of the chamber of commerce and for many years has been one of its most active members. Further he is past exalted ruler of the San Mateo Elks.

The supervisorial candidate came to San Mateo in 1907 and engaged in the automobile business, and in 1913 took over the Ford agency. In 1932, after a successful business career, he sold out and retired. He is widely known for his civic work and for his love of sports.

Pedestrian Killed By Hit-Run Auto

SOUTH SAN FRANCISCO, Aug. 6.—Burlin Basteau, 40, employee of the McCormick Steamship Company at San Francisco, was fatally injured last night when he was struck by an unidentified hit-run motorist on the Bayshore highway just south of the San Francisco county line.

The possibility that Basteau may have jumped in front of the automobile in a suicide attempt was being investigated.

'Beach Girl,' New Serial, Is Starting

"Beach Club Girl," a new serial love story by Mabel McElliott, started in The Tribune last night.

The problems of Boots Raeburn, 18, pretty and intelligent, will keep readers interested in every chapter.

Boots belongs to the younger set of Larchmont, fashionable New York suburb, but has a hard time keeping up with her wealthier friends. Sylvia Rivers, rich and spoiled, rules the crowd. You will want to follow Boots through her troubles.

Chapters of Beach Club Girl will appear each evening in The Tribune.

Plans Are Laid For Ice Industry Sessions in S. F.

Meeting in the Palace Hotel, San Francisco, last week, members of the California Association of Ice Industries laid plans for welcoming the National Association of Ice Industries to the Pacific Coast. The annual convention of the national organization is to be held in San Francisco in November, and between 1500 and 2000 delegates from all parts of the United States will attend the four-day gathering.

M. H. Robbins, president of the Union Ice Company and past president of the National Association of Ice Industries, presided over the preliminary meeting last week.

Committeemen Who Seek Re-Election

The following are seeking re-election on the Republican County Committee at the election of August 28: D. E. O'Keefe, Samuel M. Shortridge, W. H. Weeden, Eugene Folsom, E. M. Werder and M. C. Nesbit.

Three Youths Saved From Capsized Boat

BURLINGAME, Aug. 8.—Three Burlingame and San Mateo youths today were recovering from the effects of exposure as a result of immersion in the waters of the bay off Coyote Point when their small sailing craft overturned.

They are Jack Gettings, 18, William Lemon, 18, and Robert Lucas, 18.

They were rescued after C. L. Longson, assistant city engineer, spotted them through a pair of binoculars. An airplane from Mills Field marked the place where they were clinging to driftwood, and a speedboat made the actual rescue.

Benny Brings Bosphorus Beauty

EXOTIC beauty inherited from Turkish ancestors in the "Land of Harems" won for Miss Joy Lynne, of Columbus, Ohio, several beauty contests in the Ohio capital. When she won the coveted position of vocalist with Don Bestor's orchestra on the Jack Benny-General Tire radio program, in competition with 53 other singers, she proved that her voice matched her features and personality in beauty. She sings frequently on the program with Jack Benny, Mary Livingstone, Frank Parker and Bestor's orchestra on the NBC Red and Blue networks Friday nights.

Sericano Is Honored For P.G.E. Service

Louis F. Sericano, 312 Elwood street, has received a diamond badge from the Pacific Gas and Electric Company for 28 years of faithful service.

Mr. Sericano has been with the San Francisco district of the firm during that time. He has resided in Redwood City for the past 21 years and has commuted to San Francisco during that period.

Buildings Endangered In Fire at Atherton

ATHERTON, Aug. 7.—Buildings on the J. B. Cory estate and other structures were endangered by a grass blaze at 7 o'clock last evening at Lloyd Park off El Camino Real here.

The fire burned over about an acre of ground before it was extinguished by the Menlo Park Fire Department. Fire Chief Thomas Cuff believed that it was of incendiary origin.

Voters to Consider Big Sewer Project

SAN MATEO, Aug. 7.—Ordinances to put to vote proposed bonds to put to vote proposed project were passed last night by city councils of San Mateo and Burlingame.

San Mateo will consider an issue of \$85,000, and Burlingame one of \$86,000. Hillsborough to contribute \$30,000 and PWA an additional \$30,000. The vote will come August 25.

Redwood City 30 Years Ago

The Misses Jennie and Ella Joachum of San Francisco were the guests this week of their sister, Mrs. Carl Mable.

H. Hasseler is soon to erect a six-room cottage on the forty-acre tract he recently purchased in the Schroeder tract.

Louis Genocchio returned Wednesday from a hunting trip to Fort Bragg, Mendocino county. Mr. Genocchio had an excellent time while absent and bagged three fine bucks. M. L. Benson, the recently appointed principal of the grammar school, has moved into the building belonging to the district and occupied for some time by Professor Rosseter. The latter has rented the

Community Hospital Aides Are Approved

The board of supervisors today approved three new assistants for the Community Hospital staff. They included an interne, \$120 per year; porter, \$600 per year, and maid, \$600 per year.

A handsome cottage vacated by Professor Way, near the Tacoma Mill Company's yards.

On Thursday of this week, Mr. Peter Locatelle and Miss Rose Botto were united in marriage at Mount Carmel Catholic Church, the Rev. Father White officiating. The ceremony took place at 1 o'clock and the young couple were assisted by Mr. Jose Locatelle and Miss Kate Botto, brother and sister of the groom and bride respectively.

Charles Pesek Takes Own Life

Charles Pesek, who, with his brother, John Pesek, noted wrestler, raced a string of greyhounds at the Belmont and other dog tracks, shot himself to death yesterday at Ravenna, Nev., the United Press reported today.

Kellogg to Inspect Sanitation Complaint

County Executive Walter Kellogg today was directed by the board of supervisors to investigate the complaint of J. J. Connelley of Redwood City that Dr. J. G. E. Campbell, Atherton, was permitting an alleged health menace to exist on his place.

Connelley complained to the board today that Dr. Harold Morrison, county health officer, had refused to order Campbell to make certain improvements.

Kreiss Brings Suit Against Miss Ames

Miss Gloria Ames, prominent Hillsborough society girl, today was sued by State Traffic Officer Chester Kreiss and Mrs. Kreiss of Redwood City for a total of \$11,238 damages as a result of an automobile collision at San Mateo on April 18, in which the latter were injured.

In one suit Kreiss asked for \$500 for injuries that he suffered, and in a second Mr. and Mrs. Kreiss jointly asked for \$10,738 for hurts incurred by Mrs. Kreiss and damage to their automobile.

The collision occurred at night on El Camino Real near Mills Memorial Hospital. Mrs. Kreiss was driving one car, and Miss Ames the other.

Several weeks ago Miss Ames herself was badly injured in another collision on the Bayshore highway in which three men also were seriously hurt.

As a means of testing a suit designed to keep him warm on a plane trip into the stratosphere, a Massachusetts aviator remained for a half an hour in a tank filled with carbonated ice at a temperature of 110 degrees below zero.

VOTERS of Southern San Mateo County

—an opportunity knocks at the
door of San Mateo County

Experts on port development—both army and private engineers—have agreed that San Mateo County's port project in Redwood Harbor is sound and that the peninsula has a perfect setup for harbor development.

Since 1882 the federal government has officially recognized Redwood Harbor and has expended close to \$75,000 in its development. Now the federal government is pledged to spend \$203,000 on the project.

This is contingent upon the approval by the voters of a \$460,000 bond issue August 28. The government will buy \$312,000 of these bonds at a low interest rate and will advance funds for immediate development.

San Mateo county must not overlook this opportunity. Port development means the creation of PERMANENT JOBS for labor—it means that your property, whether residential, business or industrial—will be increased in value. It means cheaper goods, larger payrolls, new industries, more homes and LOWER TAXES.

Leon O. Whitsell Daniel W. Evans Named to Head Dies in South Rail Group Of Injuries

Leon O. Whitsell, 1505 Newlands avenue, Burlingame, today had been elected president of the California State Railroad Commission to succeed Clyde L. Seavey, who left last night for Washington to assume his duties as a member of the Federal Power Commission.

Mr. Whitsell, formerly a "dirt farmer" of Orange county, moved to Burlingame after his appointment to the railroad commission in 1925. He formerly served as its president in 1928. He was reappointed to the commission by the late Gov. James Rolph.

Two sons of the new commission president are attending college, one at Stanford and the other at San Mateo Junior College.

Although the process of canning was brought to America about 1818, it did not become an industry here until 1860.

PALO ALTO, Aug. 6 (Special)—Daniel W. Evans, 35, attorney, playwright and former city councilman here, died in Hollywood Sunday of injuries incurred in an automobile accident there Friday night, according to word received here.

Mr. Evans left Stanford to drive an ambulance in France in the World War but returned to graduate in law in 1922. He practiced law in San Francisco and was active in civic affairs there, being president of the San Francisco Junior Chamber of Commerce in 1932.

Always interested in the drama, he continued his playwrighting activities and in 1932 was author of the Bohemian Grove play. Late last year he left for the South to write scenarios for the movies.

Surviving him are his widow and two young daughters.

Would You Like to Be Free From HEART TROUBLE?

If you are suffering with inflammation or weakness of the heart, shortness of breath, sore chest, nervousness, dizziness, headache, palpitation of the heart, chronic cough, restless sleep, poor blood circulation, lower vitality or any other symptoms of heart trouble, consult:

Chan & Kong, the Eminent Herbalist for Quick and Permanent Relief

TAKE CARE OF YOUR HEART! Heart disorders are too serious to ignore, often causing sudden death. According to government report 25 per cent of all deaths in California are caused by disease of the heart and the circulatory system. According to Chinese medical philosophy the heart belongs to the fire element. It is the dwelling place of the spirit of the individual. This spirit controls the brain, which in turn controls the senses through the nerves. The office and duty of the heart has been compared to that of the highest ruler of the nation. It is also the lord of the blood circulation. Hence we can see the importance of the heart. Chinese herbs are specially suited for heart trouble. They have stood the test of forty centuries. With herbs to purify and enrich the blood, to eliminate gas, to clear congestion, to soothe the nerves, to cleanse the liver, and to promote normal heart action, Chan & Kong Herbalists have successfully relieved hundreds of heart disease sufferers, many of whom were apparently chronic, hopeless.

HEART PALPITATES, SHORTNESS OF BREATH, QUICKLY RELIEVED BY HERBS

TO WHOM IT MAY CONCERN:

I wish to offer this as a testimonial to the benefit which I have had from taking the Chan & Kong herbs.

It is now five weeks since I first came to your office to inquire about your method of treating disease, having been told of some remarkable cures you have made.

I have been troubled for a long time with severe palpitation of the heart and have been to several healers without getting more than temporary relief. I became short of breath on making the slightest effort and could not walk without it causing my heart to jump.

The heart trouble also gave me an almost continuous nervous headache.

After only one week of your treatment I was very considerably improved; in two weeks a great deal better and now am entirely cured. Already, in gratitude, I have sent to you several patients.

Yours truly, (Signed) LORENZO BAVOJO,

585 Texas St., San Francisco, Calif.

HEART, LIVER AND KIDNEYS MADE WELL AT THE SAME TIME

CHAN & KONG, DEAR SIR:

I had for a long time been troubled with distressing palpitations of my heart; my liver and kidneys failed to act properly and there was always a feeling of tightness about my chest which filled me with forebodings.

This general upset brought about an extreme nervousness and I had recourse to one doctor after another without experiencing more than a passing relief. It seemed as though the ringing in my ears might never cease and at times I feared it would affect my hearing. Then, as a last resort, having been told of your treatments, I sought you and after only six weeks found myself in an entirely normal condition. There is no mistake about it, I AM CURED, and I have you alone to thank for it. That is why I write this letter.

(Original Signed) MRS. THOMAS PARKER,

Clear Lake Park, Lake County, Calif.

The above testimonials are taken from hundreds of others. What these herbs have done for others they can do for you.

BAD LEGS

Varicose Veins—Ulcers

Make up your mind today that you are going to give your legs a chance to get well. No operations nor injections are necessary, no enforced rest. This simple Emerald Oil home treatment permits you to go about your business as usual—while it quickly heals old sores, reduces swellings, stimulates circulation, and makes your legs as good as new. No waiting for relief. You begin to get it INSTANTLY.

Just follow the simple direction—you are sure to be helped or money back. Get it at druggists everywhere.

Four Hurt in S. S. F. Hit-Run Collision

SOUTH SAN FRANCISCO, Aug. 7.—Four San Francisco people were injured slightly here last night at an automobile collision on El Camino Real near Orange avenue. The second car involved sped away after the accident, but officers indicated that its license number had been taken.

The injured were Mrs. Joseph Cortada, 74 Fulton street; Charles Franks, same address, and Mr. and Mrs. Frank Reeder, 184 Downey street. They were treated at South San Francisco Hospital.

Temporary Plumbing Permit Is Granted

G. W. Bishop of Menlo Park, who complained of alleged discrimination against William Logue, acting building inspector, in being refused a plumbing permit in the unincorporated area, today was granted a temporary permit and instructed to take examination.

Rolison's 'Guesses' Prove 'Pretty Close'

How good a guesser City Manager Ernest Rolison was seen Monday night by the city council when the annual fiscal report was submitted to the board.

Estimated by Rolison that the city's revenues in 1933-34 would be \$182,351.35 was missed by \$1,036.19 as the actual collections were \$183,387.54. City Councilman Paul McCarthy believed this "pretty good."

The report showed a saving of \$4,583.10 over anticipated expenditures. Rolison estimated the city's needs at \$127,847.50. Expenditures totaled \$123,264.40.

City Manager Rolison and City Engineer Charles Dimmitt were shown the council's appreciation for operating the Emerald Lake water department profitably and giving that section a 20 per cent cut in the rates.

Nine-fifty per cent of the people of Turkey are illiterate.

Modesto Cites R. C. In Managerial Move

The experience of Redwood City under the city manager plan of government was cited yesterday by the Modesto Chamber of Commerce in voting to propose that form for Modesto to the city council.

Members of the chamber cited the more efficient and capable handling of city affairs with a resultant saving of money when a city manager is employed.

The need for one responsible person to handle a business as large as that of the city was expressed. The fact that many towns throughout the United States had definitely reduced their tax rate by this system was also presented. The efficiency of the Redwood City city government was mentioned in the discussion.

Airway beacons were first used in 1923 and were employed on the air mail route between Chicago and Cheyenne.

Farley-Backed Candidate Loses

By UNITED PRESS

Apparent elimination of Clem Shaver, nationally known Democratic figure and candidate of Postmaster James A. Farley, in the race for his party's senatorial nomination in West Virginia, featured yesterday's primaries in three states.

Backing of the former Democratic national chairman by Farley had aroused interest in his candidacy among those watching for new deal straw-in-the-wind. Rush D. Holt, West Virginia, appeared to be Shaver's successful opponent. No direct new deal test was apparent, however, as Holt also supported President Roosevelt's policies.

Other results appeared to be about as expected. The other primaries were in Missouri and Kansas.

The Young Men's Christian Association was founded in London in 1844.

\$1500 Are Sought In Suit by Youth

Alleging that Robert B. Bostwick Jr. was injured when he was struck by an automobile while walking across Broadway, Burlington, the youth and his father filed suit with the superior court here today for \$1500 damages.

Miss Margaret Cheney and her parents, Mr. and Mrs. C. M. Cheney were named as defendants. Charles V. Barfield is counsel for the plaintiffs.

South Redwood Club Plans Picnic Sunday

Members of the city council last night were given an invitation by the Greater South Redwood Improvement Club through Councilman Robert N. Jones to attend its picnic and barbecue on Sunday.

The picnic will be held on the grounds of the Bear Gulch Water Company near Woodside.

Indicating an improvement in industrial conditions, electric power consumption in Panama City is increasing.

Forty-one states and 110 of Missouri's 114 counties are represented in the student body of the University of Missouri.

Only a few days more
BUY...SAVE NOW!

ARE YOU going to freeze and sneeze through another fall and winter with heating equipment that does not keep your house warm? Why not change to Natural Gas heating right now in these last few days of August? You save money by doing this. It is easy to pay for—just a moderate down payment and the balance on monthly terms.

Then your heating worries are over. You do not have to store any more fuel or tend any fire. Piped direct from the gas main, a supply of fuel is at your command. All you do to order it is to turn on your furnace or Natural Gas appliance. And you do not pay for any fuel until after you have used it.

Make this change now. Only a few hours work completes an installation of Natural Gas equipment, and your home is ready for the first chilly day of fall weather.

Save \$2 to \$50 this month
Moderate Down Payment
Balance on Budget Terms

See your dealer or the gas company today. Go ahead—place your order for one of many types of Natural Gas heating equipment while the 10% savings are still in effect.

For More Than 4000 Years - "The Most Nearly Perfect Food"

IN THE BIBLE MILK IS ONE OF THE FIRST FOODS MENTIONED. ABRAHAM ENTERTAINING GUESTS "TOOK BUTTER AND MILK AND THE CALF WHICH HE HAD DRESSED AND SET IT BEFORE THEM." (GEN. 18:8)

A FRIEZE UNEARTHED IN THE ANCIENT CITY OF UR DEPICTS A MILKING SCENE OF MORE THAN 4000 YEARS AGO.

Dairyland Milk and Cream are better than legally required. They completely fulfill the scientists' tests as "the most nearly perfect food." They are "protective" foods which tend to make up for the deficiencies of the "normal" diet. A quart a day for both adult and child is the optimum requirement, advise diet authorities.

Direct from our pasteurization plant, you cannot buy fresher, purer milk than DAIRYLAND.

Kept under ideal refrigeration at these low prices!

THE MODERN MILK FACTORY
(A SCIENTIFICALLY FED COW)

PRODUCES 15,000 POUNDS OF MILK A YEAR

Composition by percentage of Cows' Milk:
Water 87.0
Fat 4.0
Carbohydrates 5.0
Proteins 3.3
Minerals .7

MODERN SCIENCE RECOMMENDS A QUART OF MILK DAILY FOR ADULTS AS WELL AS FOR CHILDREN

Low Prices Every Day

Thursday to Wednesday, inclusive, Aug. 9 to 15.
Butter, Eggs, Produce and Meat subject to market changes.

Lookout Station For La Honda Is Planned

County Fire Warden Bert Werder today informed the board of supervisors that the state will locate a fire lookout and suppression station at La Honda. The board approved a lease for the site, which has been granted by Charles and Mayme Rayner, at La Honda.

The Rayners have given a 40-year lease at a \$1 yearly rental for use of their property. The station will not cost the county anything, Werder said, while the state will spend \$2,000.

Duncan McNaughton, 1932 Olympic games high jump champion, is now seeking his doctor's degree at California Institute of Technology.

High school basketball teams in Montana were divided into A and B classes for the first time this year.

Municipal League Schedules Meeting

Several members of the city council and executive staff, together with representatives of neighboring peninsula municipalities, are expected to attend a meeting of the Peninsula Division of the League of California Municipalities at South San Francisco Thursday evening.

The meeting will be held at 6:30 p. m. at the Metropolitan Grill there. Notice of the meeting was given to the city council here last night by Councilman Paul A. McCarthy, who is president of the division.

Truck Fees Fixed For Lighter Items

Two ordinances were adopted by the city council last night, one providing for no parking on the northeasterly half of Perry street between Broadway and Brewster avenue and the other amending the business license ordinance.

The license amendments cover fees for sales from vehicles to local business establishments. The fees set forth were as follows: barber goods, \$10 per year; candy, \$10; potato chips, \$10; fruit, vegetables, berries or melons, \$50, provided that persons actually raising the produce on their own or rented property be exempted.

Menlo Park

Mrs. A. E. Blake with her stepfather and mother, Mr. and Mrs. James, are passing two weeks at Lake Tahoe.

On the three matinee days of the San Mateo County National Horse Show at the Menlo Circus Club, Palo Alto Women's Service League will have a booth for the sale of articles made by league employees. Mrs. Paul Wolf will be in charge. Assisting her on the different days will be the following: Wednesday, Mrs. Morton Bailey; Saturday, Mrs. George Dickson Clark Jr., and Sunday, Mrs. R. R. Sutton.

The booth will sell handmade luncheon sets, bags, aprons, gloves, bed spreads and various novelties made by the needy women for whom the league provides employment.

A ceremony solemnized Sunday at the Menlo Park residence of the Rev. Ralph Smith, rector of Trinity Episcopal Church, united Miss Dorothy Heintz and Edward L. Strong, representative of the Market Street Railway Company of San Francisco. Mrs. G. H. Kilpack of Burlingame attended her sister as matron of honor. Mrs. J. Roy was maid of honor and Miss Thelma Mae Kilpack was flower girl. George Kilpack was best man.

The bride wore powder blue and carried a shower bouquet of pink roses. After a motor tour of the state, Mr. and Mrs. Strong will live in San Francisco.

A pre-election card party will be given in the Central School at Menlo Park on Friday night at 8:15 o'clock by the Catholic Youth's Organization. Warren Morey will be chairman. Score cards will be sold for 25 cents.

Mr. and Mrs. Latham McMullin entertained 12 friends at dinner Saturday evening at their Menlo Park home.

Miss Elsie Roberts of Jerome, Pa., is passing the week in Menlo Park as the house guest of Miss Olive Annis, with whom she recently spent two weeks in the high Sierras.

Mrs. Kay Knudsen has returned to Menlo Park after visits in Watsonville, Carmel and Monterey.

On Friday evening, August 17, Menlo Park Native Sons will give a card party in the School Auditorium on the highway in Menlo Park. It will start at 8:30 p. m. and the admission will be 25 cents.

Menlo Park's 1934-35 city budget is ready for adoption.

The document, setting forth a list of estimated revenues and expenditures for the fiscal year ending June 30, 1935, was read this

week by the council before half a dozen residents who turned out for the public hearing. There were no objections.

As the budget now stands, it lists total anticipated revenues for the general fund at \$11,610.42, to be balanced by anticipated expenditures of identical amount.

Revenue for the street improvement fund is estimated at \$2,681.27, of which \$1,281.27 represents cash on hand and \$1,400 anticipated revenue from traffic.

The tax rate for general fund purposes remains at 85 cents on the hundred dollars, to be applied on an assessed valuation of \$870,960 to yield, after subtracting estimated delinquencies and collection fees, a net of \$6,229.77.

The budget does not include a special tax to meet some \$14,000 in street improvement bond delinquencies.

The budget includes a \$397 item for special bond litigation, to be used in upholding the city's interest in case of necessity.

Mrs. Ruggles to Wed Robert F. Six Soon

Mrs. Henriette Erhart Ruggles, young divorcee whose two children died in a fire that razed her home at San Mateo on July 1, will marry Robert Forman Six, prominent in San Francisco and peninsula society, within a few days, it was revealed today.

Six was a guest at Mrs. Ruggles' home when it was fired, but was saved from the flames that wiped out the lives of the two young children.

The two have filed a notice of intention to wed at San Francisco. Six gave his age as 28, and Mrs. Ruggles, 27.

Mrs. Ruggles is the daughter of Mr. and Mrs. William H. Erhart of Long Island.

John Watts Succumbs At San Mateo Monday

SAN MATEO, Aug. 7.—Funeral services will be held at the Crosby chapel in Burlingame tomorrow morning at 10 a. m. for John Watts, who died here yesterday.

Surviving him are his widow, Mrs. Betty Watts, and two brothers, William Watts of La Honda and Andrew Watts of San Pedro. San Mateo Lodge No. 1112, Benevolent and Protective Order of Elks, will conduct the funeral ceremonies.

San Carlos School Budget Is Adopted

SAN CARLOS, Aug. 7.—A budget of \$16,445 for the San Carlos Elementary School District for the fiscal year of 1934-35 was adopted last night by the district trustees at a public hearing at the school auditorium.

Main items in the budget are as follows: Instruction, \$10,465, including \$9,990 for salaries (certificated), \$425 for supplies and \$50 for other expenses.

Plant operation, \$2,585, including \$1,440 for salaries (non-certificated), \$550 for supplies, \$395 for service charges, \$175 for insurance and \$25 for other expenses.

Belmont's School Budget Is Adopted

BELMONT, Aug. 6.—Belmont's elementary school budget of \$10,358 for the year 1934-35 had been approved today by the school board.

Chief item in the budget is \$7,075 for instruction, of which \$6,900 is for teachers' salaries, \$150 for supplies and \$25 for other expenses. Other items in the budget are operation expense, \$1,500; maintenance, \$560; capital outlay, \$500, of which \$250 will be for grounds improvement, \$200 for building additions and \$50 for equipment.

Recently the school building was repaired and made earthquake-proof.

Shot in Head, Boy Fights to Recover

Still in a dangerous condition, Edward Brown, 17-year-old San Francisco youth, was fighting at a San Francisco hospital today to recover from a bullet wound in his head inflicted accidentally by his camping companion, William Thoe, doctus, 13.

The accident occurred when the younger boy stumbled against a rope of their tent at Pedro Point, where they were camping, a .22 calibre rifle in his hand going off and wounding Brown. Deputy District Attorney Harold Anderson today declared the shooting was clearly accidental.

Mother Hurt, Baby Uninjured in Crash

SAN MATEO, Aug. 8.—Mrs. George Angus, 139 Channing road, Burlingame, suffered severe body and head bruises in an automobile collision here last night, but her 19-months-old baby, George Jr., was uninjured. Mrs. Angus, with the baby in her arms, was thrown out of the car, driven by her husband.

Lewis C. Merrill, 1252 Ralston avenue, Burlingame, was the driver of the other car involved in the accident, which happened at Poplar avenue and Delaware street. Merrill and Angus were uninjured.
